

# 2018 Parish Marriage Preparation Calendar

*Marriage consecrated by God preserves that bond between man and woman that God has blessed ever since the creation of the world; and it is a source of peace and good for all married and family life.*

*Pope Francis 4/29/15*

The list below provides options for parish-based marriage preparation programs for 2017 in the diocese of Portland, ME. It can be found on the diocesan web-site at <http://portlanddiocese.org/marriage>

The first step in preparing for your marriage is to talk with the priest or deacon who will help you prepare for your wedding so you can lock in a date and a Church for your ceremony. Tell him which program you would like to attend. Then, contact the person listed to get more information about that particular program, and to register.

These programs are usually offered once a year. When multiple dates are listed, couples attend all sessions in order to complete the preparation program.
