REFLECTIVE PROCESS OF ANNUAL MINISTERIAL FORMATION PLANNING FOR BASIC AND ADVANCED CATECHETICAL LEADERS

Christian disciples, especially those who are leaders, continue their formation and development. The Diocese of Portland expects those with delegated responsibilities of leading parish catechesis and evangelization to model lifelong learning by doing the following each year:

- establish a goal for her/his ministerial formation and development,
- strive toward accomplishing that goal through completing 20 or more hours of approved and verified formation that shapes one's being, knowing, and artistry as a catechist, and
- reflect on his/her efforts to celebrate accomplishments and inform discernment of future goals and needs for ongoing formation and development.

Each leader is responsible for sending documentation of the above to the Office of Lifelong Faith Formation by the end of each fiscal year (June 30).

See a sample planning and report form below. An editable Word document with directions for the process and annual reporting is available on the OLFF website.
