The National Conference for Catechetical Leadership, in partnership with Our Sunday Visitor, is proud to announce, Magnify!

Magnify is a series of virtual events over a 4-month span that will introduce participants to the new *Directory for Catechesis* and explore each of the chapters in depth. Magnify begins with a 2-day virtual event September 18th and 19th. Magnify continues with 1-day virtual events in the months of October, November, and December. Each of these events will offer:

Keynotes from leading experts in the field.

Workshops that break open each section and chapter of the Directory for Catechesis and provide tools for practical application of those insights.

Resources that focus on different methodological approaches that can be applied to a variety of ministry settings (ie: parish or diocesan work, virtual or in-person gatherings).

Opportunities for dialogue with presenters and other participants. This will include ways to gather in peer groups that align with your ministerial role or area of focus.

Opportunities for prayer, including a Rite of Commissioning for Catechists (during the September gathering).

Those who register for *Magnify* will receive access to all 4 events as well as access to all archived content until September 2021.
