

Editing the Homepage banner

[View](#) [Edit](#) [Unpublish](#) [Delete](#) [Devel](#)

Click the Edit button located under the Homepage banner area
Find the image you'd like to edit or remove and choose that button.

Editing mode is to change the image, title, or link

Remove mode will take remove that whole banner and the other banner images might need size adjustment.

Click "Update Banner" when finished.

SAVE at the bottom before closing out

* See the Style Guide for all banner dimensions
