

How to add/edit Recipes

Manage > Recipes

Title

Featured Image - Minimum 1920x 1080px at 72 resolution = Image is optional

Published date

Deck-obsolete

Subhead- optional

Body- Used for the "directions" portion of the recipe

By line

Intro- Used as the "Ingredients" portion of the recipe

Endnote: Chef's Tips

Column: Type in Harvest Bounty then choose. Should read in the line Harvest Bounty (617)

Publish

Save

Side Note:

If a recipe has a magazine article with it, you can use the intro or body for the article -like on Pinterest and the other for the entire recipe. You can link to the article in any of the text fields and then link the recipe in the article as well. This section is flexible.
