

# 2025 Marriage Prep Calendar

Congratulations on your engagement. The next step in preparing yourself for marriage is talking with the priest or deacon who will help prepare you for your wedding so you can lock in a date and a church for your ceremony. Talk with him about marriage prep requirements and local possibilities or arranging to participate in another Diocesan recognized marriage prep program.

The list below provides options for parish-based Catholic marriage preparation programs in Maine for weddings taking place in 2025. Contact the organizer at your preferred site for more info, including costs and how to register. These programs are usually offered once a year. When multiple dates are listed, couples must attend all sessions to complete the preparation program. The diocesan website <https://portlanddiocese.org/marriage> is updated as new information becomes available.
