

2019 Catholic Marriage Preparation Options

“Love that leads to marriage is a gift from God and an act of great faith toward other human beings.” St. John Paul II

Congratulations on your engagement! The next step in preparing for your marriage is to talk with the priest or deacon who will help you prepare for your wedding so you can lock in a date and a church for your ceremony. Talk with him about the marriage preparation requirements and local possibilities or arranging to participate in another program recognized by the Diocese of Portland.

The list below provides options for parish-based Catholic marriage preparation programs in Maine for weddings taking place in 2019 (alphabetical by parish name). Contact the organizer at your preferred site for more info, including costs and how to register. These programs are usually offered once a year. When multiple dates are listed, couples must attend all sessions to complete the preparation program. The diocesan website <https://portlanddiocese.org/marriage> is updated as new information becomes available.
