

MARCH FOR LIFE 2019

January 17 to 19, 2019

The March for Life is a peaceful demonstration to share the truth concerning the greatest human rights violation of our time, legalized abortion on demand. The march is held in Washington, D.C. on or around the anniversary of Roe v. Wade, a landmark decision issued in 1973 by the United States Supreme Court decriminalizing abortion. The march, whose stated mission is "to provide all Americans with a place to testify to the beauty of life and the dignity of each human person", advocates for overturning Roe v. Wade. It is organized by the March for Life Education and Defense Fund.
